

Career Day Interview Challenge: Meet the Veterinarian!

Your Role - A veterinarian, **Dr. Taylor**, is visiting your class for Career Day. Dr. Taylor has worked with animals for 10 years and helps pets stay healthy through checkups, surgeries, and emergency care.

As an interviewer, your goal is to ask questions that help you learn about the career. Strong interview questions encourage detailed answers. Weak interview questions usually lead to short answers or don't help you learn much.

Part 1: Sort the Questions - Write each number of question in the correct column.

Questions

1. Do you like being a veterinarian?
2. What inspired you to become a veterinarian?
3. Is your job difficult?
4. What is the most rewarding part of caring for animals?
5. Do you work with dogs?
6. Can you describe a memorable experience helping an animal?

Strong Interview Questions	Weak Interview Questions

Part 2: Improve the Questions - Rewrite each weak question so it encourages a detailed answer.

1. Do you like being a veterinarian?
2. Is your job difficult?
3. Do you work with dogs?
4. Is science important in your job?
