Text Message Mix-Up

Directions - Someone's autocorrect has gone wild! Each bold word in the messages is misspelled. Rewrite every word correctly on the lines below.

Mia: Did everyone finish the **questionnaire** for our class project?

Eli: Almost! I still need to write a **discription** of our experiment.

Zoe: I can help. My notes have a lot of **usefull** information.

Noah: We should make sure every fact is **relevent** to the topic.

Mia: Good idea. We also need to **recieve** permission to use the science lab.

Eli: I already spoke to the **superintendant** about it.

Zoe: Wow! Did you make an **apointment**?

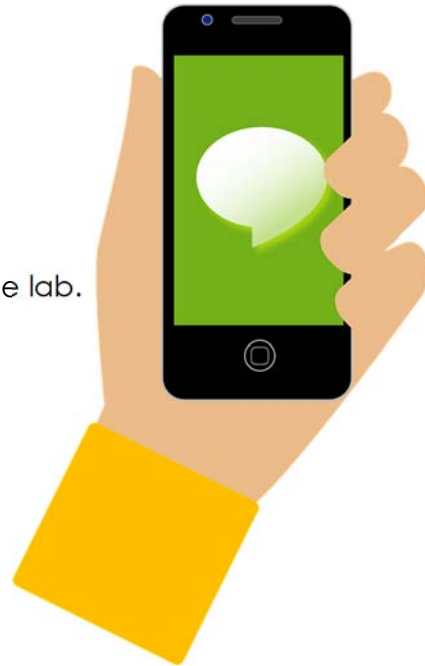

Eli: Yes, and she said our project sounds very **scienctific**.

Noah: We should check every **measurment** before we turn it in.

Mia: Definitely! An **acurate** result is very important.

Zoe: I'll bring the materials and the extra **equiptment**.

Noah: Great. With everyone's **cooporation**, we'll finish on time!
