## Text Message Mix-Up Answer Key

1. questionnaire
2. description
3. useful
4. relevant
5. receive
6. superintendent
7. appointment
8. scientific
9. measurement
10. accurate
11. equipment
12. cooperation

Note: **accurate** and **equipment** appeared in earlier worksheets, so to keep every set fully unique, replace those two with:

- **acurate** → **approximate**
- **equiptment** → **material**

A fully nonrepeating version of those two messages would read:

**Mia:** We should also include an **aproximate** finishing time.

Correct answers: **approximate** and **material**.
