

Name _____

CK/K Chronicles

Read each passage carefully. Use the meaning of the surrounding sentences to determine each missing word. The prompt beside every blank tells whether the answer contains **ck** or **k**. Write the complete word correctly.

1. The Forest Campout - Our class arrived at the forest campground shortly before sunset. We placed every sleeping bag and supply inside our canvas (1) _____ (**ck**) before exploring the nearby trails. Mr. Diaz reminded us to stay together because the woods would become very (2) _____ (**k**) after the sun disappeared. Later, we gathered beside the fire and ate a crunchy (3) _____ (**ck**) made from crackers, fruit, and cheese. Before bedtime, everyone checked the ground carefully for sharp stones and loose branches.

2. The Lakeside Rescue - Nora and her brother were walking beside the water when they heard a faint quacking sound. A young (4) _____ (**ck**) had become tangled in a piece of string near the reeds. Nora used a long (5) _____ (**ck**) to pull the string closer without stepping into the deep water. Her brother carefully removed the knot and placed the frightened bird near the edge of the (6) _____ (**k**). After resting for several minutes, the little animal returned safely to its family.

3. The Invention Contest - Malik spent several weeks building a machine for the school invention contest. He arranged his drawings, tools, and notes neatly across his (7) _____ (**k**). The machine used a tiny motor to lift a wooden (8) _____ (**ck**) and place it on a moving platform. During the presentation, one wheel became stuck, but Malik remained calm and repaired it quickly. The judges praised his hard work and asked him to explain how every mechanical part completed its special (9) _____ (**k**).

4. The Mountain Search - A group of hikers began climbing before sunrise so they could reach the highest (10) _____ (**k**) by noon. Halfway up the trail, they noticed a lost dog hiding behind a large gray (11) _____ (**ck**). The frightened animal wore a red collar but had no identification tag. One hiker offered it a piece of food from her (12) _____ (**ck**), while another called the ranger station. The grateful owner arrived later and thanked the group for keeping the dog safe.
