Teacher dictation stories

1. Mia discovered a tiny door at the base of an old tree. She knocked gently and heard music playing inside.
2. The class planted sunflower seeds in the school garden. By summer, the tallest flower reached above the fence.
3. A sudden storm darkened the sky during the soccer game. The players hurried indoors before the heavy rain began.
4. Noah found a dusty map hidden inside a library book. A red line on the map led toward the abandoned lighthouse.
5. The robot rolled across the laboratory floor and flashed its blue lights. Then it carefully lifted a wooden block with its metal arm.
6. Our family arrived at the campsite just before sunset. We built a warm fire and cooked dinner beneath the stars.
7. A young fox wandered into the quiet meadow at dawn. It paused near the stream before disappearing into the woods.
8. The museum guard noticed that an ancient necklace was missing. She quickly called the director and locked every exit.
