

Name _____

Builder Bazaar

The town bazaar is filled with busy workers, performers, and inventors. Add **-er** to each base word to create a word naming a person who performs the action.

Example: teach + er = **teacher**

Part 1: Build the -er Words - Write the complete word ending in **-er**.

- | | |
|-----------------------|-------------------------|
| 1. farm + er = _____ | 6. work + er = _____ |
| 2. sing + er = _____ | 7. read + er = _____ |
| 3. paint + er = _____ | 8. speak + er = _____ |
| 4. build + er = _____ | 9. print + er = _____ |
| 5. help + er = _____ | 10. garden + er = _____ |

Part 2: Complete the Bazaar Signs - Add **-er** to the base word in parentheses. Write the new word in the sentence.

11. The _____ prepared fresh bread and rolls before the market opened.
(bake)
12. A talented _____ performed a cheerful song near the fountain.
(dance)
13. The _____ delivered boxes of fruit to every market stand.
(drive)
14. A careful _____ recorded information about the community festival.
(report)
15. The _____ designed a machine that sorted vegetables automatically.
(invent)

Part 3: Fix the Word Building - Each equation contains an incorrectly spelled **-er** word. Rewrite it correctly.

- | | |
|--------------------------|-------------------|
| 16. teach + er = teachar | Correction: _____ |
| 17. clean + er = cleanor | Correction: _____ |
| 18. play + er = player | Correction: _____ |
